Once a vintage toy truck factory, LA River Studios features historic bow truss ceilings, exposed brick and polished concrete floors. Offering both indoor and outdoor ceremony options, it is ideal for weddings up to 250 guests with flexible floor plan options.

Nestled along the Los Angeles River in the North East LA enclave, LA River Studios is the perfect venue for artists and creatives alike. If you are seeking an event venue with a vintage Los Angeles feel, modern design touches and state-of-the-art sound and lighting systems, LA River Studios is the perfect venue for you.
